## **Don't write in your book, yet!**

Because your yearbook doesn't come with its own personal ninja, we recommend writing your name in your book. We are always saddened when books disappear, but we cannot replace stolen or lost books. A replacement book will cost \_\_\_\_\_.

This is a publication produced by our students for students and the greater school community. If you have any suggestions for next year's book, we'd love for you to apply to be a part of our yearbook staff.

If you go by a different name, a shortened name, your middle name, a nickname, etc. tell us at the beginning of next year so we can get it right. While we strive to know everyone, we don't always get it right.

We're so happy you bought a yearbook and know that you will enjoy looking back on it in the future. We hope you consider purchasing next year's yearbook as well. The earlier you purchase, the better the price!
