EVENTS

The easy way to collect school event photos

CROWDSOURCING IMAGES FOR THE YEARBOOK JUST GOT EASIER!

Introducing EZPix Events—The efficient way to gather images for your yearbook.

Looking for photos of home workstations, homecoming, or the socially distanced basketball game? No problem.

EZPIX EVENTS ALLOWS YOU TO REQUEST SPECIFIC PHOTOS.

Utilizing the powerful eMarketing tools within StudioBalfour, ask parents to submit photos by specific topics.

With our safe and secure photo uploader, know who submitted the picture and where it was taken. Images are delivered directly into your yearbook editor and ready to place on pages.

SECURE

- eMarketing request generates secure link
- Links specifically to the event requested
- Validates student information

EASY

- No-fuss image upload process
- Simple status filters track progress
- Flexible, adviser-set deadlines

DETAILED

- Built-in submission tracking
- Gathers caption information
- Uploads directly to image manager
